- **Fatalities:** 3 in Malibu (LA County Medical Examiner), 11 total (CalFire)
- **Missing:** 6 (LA County Sheriff)
- **Fire Limits:** At this time, the fire footprint has not grown within City limits, stopped at Franklin Fire burn scar. Extreme hazards remain within evacuation area.

• **Current Weather Conditions 01/23/25, 12:00 PM (Source: NWS):**

- 69 degrees, winds from N to NE at 16 MPH.
- Humidity of 7%
- Air quality – Good (31)
- **Current Weather Forecasts (Source: NWS)**
 - Red Flag Warning through 10:00 AM on Friday, January 24
 - Wind Advisory – Set to expire TODAY, Thursday, January 23 at 2:00 PM
 - Malibu City staff are closely monitoring the current wind and weather conditions, collaborating with partner agencies to prepare the community. Fire, law enforcement, and utility resources from across the state and country continue to be deployed throughout Malibu to ensure safety through the forecasted wind event.
 - The community can take preparedness actions now to remain at the ready: charge/fill up your vehicles, have a go-bag ready for each member of your household; stay informed and register for emergency alerts.
 - Register for Malibu Alerts: <https://www.malibucity.org/List.aspx>
- **Weekend Weather:**
 - A 80-90% chance of rain is expected from Saturday January 25, 2025, through Monday January 27, 2025. Forecast calls for 0.25 to 0.75 inches of rain in the coasts

and valleys, and up to 1.50 inches in the foothills and mountains. There is a small chance of thunderstorms, which could result in additional rainfall in localized areas.

- Residents in and around the Palisades Fire burn area should prepare now to protect their home. Visit the LA County Public Works sandbag website at lacounty.pw/sandbags for information on where to pick up sandbags and sand. Additional information will be provided, as received.

Utility Updates:

Southern California Edison (SCE):

- Circuits currently experiencing outages
 - Cuthbert
 - Galahad
 - Maguire
 - Merlin
 - Serra
- Note: portions of certain circuits may have different status. Refer to [SCE.com outage map](https://www.sce.com/outage-map).

Southern California Gas (SoCalGas): SoCalGas continues to restore service to homes that have not been directly affected by the Palisades fire. Workers today have restored natural gas service to an additional 7 customers in the northwest areas of Malibu, bringing the total number of restored customers to 3,533. For updates visit socalgas.com/fires.

- It is important for customers to know the following about the restoration process when you return home:
 - An adult over age 18 must be present during restoration.
 - To restore your service, SoCalGas must have access to your meter and inside your residence to check the safety of your natural gas appliances.
 - This process will take one to two hours.
 - Never attempt to restore or turn on your natural gas service yourself.
- **Customer Guidance:**
 - Customers should not attempt to restore gas service on their own. SoCalGas crews will assist with service restorations.
 - Restoring service requires an in-home safety check, and an adult must be present. Please allow access to SoCalGas personnel to gas meters to expedite the restoration of gas service.
 - For information or to report a gas leak, contact SoCalGas at 1-800-427-2200, available 24/7.

Businesses located outside the mandatory evacuation zone may be open.

We encourage everyone to support these businesses, which have been an integral part of both our emergency response efforts. Whether it's purchasing a meal, buying a gift card for a later time, picking up supplies, or simply offering a heartfelt thank-you, every small gesture makes a difference.

FEMA - Start Your Disaster Recovery with These Steps:

If you've been impacted by the Palisades Fire, FEMA recommends filing your insurance claim as the first step in your recovery process. Once you've filed with your insurer, FEMA may provide assistance for disaster-related costs not covered by your policy. These can include temporary housing, home repairs, and even help with uninsured vehicle damage.

- For quick application, visit DisasterAssistance.gov, use the FEMA Mobile App, or call 800-621-3362.
- The deadline to apply for FEMA assistance is March 10, 2025. Act now to ensure your recovery journey stays on track.
- For further questions or help, contact FEMA's helpline at 800-621-3362, available daily from 7 AM to 10 PM PST.

Red Cross Financial Assistance:

The American Red Cross is currently reaching out to wildfire survivors to discuss their eligibility for financial assistance.

- If you received a message or call from a Red Cross representative, follow the steps outlined in that message or visit redcross.org/gethelp
- Be aware of scams or people posing as Red Cross representatives. You will receive an invitation via email and text based on the contact information the Red Cross has for you. If you're unsure whether the Red Cross has reached out, call 1-800-RED-CROSS (800-733-2767)
- Receiving Red Cross financial assistance does not make you ineligible for FEMA assistance. The Red Cross is only part of the solution to recovery; those who were affected by the recent wildfires can apply for federal Disaster Assistance at disasterassistance.gov or by calling 1-800-621-3362. FEMA approval is not required to be eligible for Red Cross financial assistance.

Boys & Girls Club of Malibu Emergency Relief Fund:

The Boys & Girls Club of Malibu (BGCM) has re-established BGCM Emergency Relief Fund, to help community members recover and rebuild in the aftermath of the Palisades Fire.

Repopulation: (source: genasys & LASD)

There is limited RESIDENT ONLY access to Malibu mandatory evacuation zones MAL-C111-A, MAL-C111-B, and MAL-C112-B.

The Palisades Fire Incident Management team has announced that Malibu evacuation zone MAL-C111-B is open for RESIDENT ONLY ACCESS, beginning Thursday, January 23, 2025 at 12:00 PM. The evacuation zone east of the City, SSM-U010-A, which includes the Topanga area, is also opening for RESIDENT ONLY ACCESS.

The zones are open for **RESIDENT-ONLY ACCESS**: Newly repopulated residents need to check in at the resident check-in located at the Malibu Pier (23000 Pacific Coast Highway, Malibu). At the resident check-in, residents will receive further instructions from Los Angeles County Fire personnel, be escorted by Los Angeles County Sheriff Deputies to the checkpoint and be allowed access to the repopulated areas. Residents must provide proof of residency. Acceptable forms of identification are a photo ID that displays the resident's name, photo, and physical address. Please have these documents ready to ensure a smooth verification process.

Escorts for newly repopulated zones will be conducted from 12:00 p.m. to 6:00 p.m. On the days following repopulation, residents in the previously opened zones will be permitted to enter at the checkpoint between 6:00 a.m. and 6 p.m. Curfew hours remain in effect.

On the days following repopulation, city residents in the previous opened zones - MAL-C111-A, and MAL-C112-B will be permitted to enter at the checkpoint between 6:00 AM and 5:30 PM. The nighttime curfew remains in effect from 6:00 PM to 6:00 AM.

Department of Public Health staff is distributing health access kits to residents at the Malibu Pier Parking Lot.

How to Prepare:

- As evacuated areas are opened and community members are allowed to return, doing so safely is extremely important. Malibu residents can take steps now to prepare to go back into evacuated areas.

Check the status of your site:

- CAL Fire and the City of Malibu have conducted Damage Inspections (DINS) in wildfire-affected areas.
- Check the preliminary damage assessment map at recovery.lacounty.gov/palisades-fire to view the status of your property. Updates to this map occur daily.
- Color-labels categorize the damage level to each structure:
 - Red: Structure Destroyed (>50%)
 - Orange: Major damage (26-50%)
 - Yellow: Minor damage (10-25%)
 - Green: Structure Affected (1-9%)
 - Gray: Inaccessible
 - Black: No Damage to structure

Precautions for Health and Safety:

- Enter the reopened area during daylight hours. Areas without power will be dark, creating unsafe driving and walking environments.
- Be sure to wear protective gear, such as long-sleeved shirts and long pants, gloves, and sturdy shoes, to reduce exposure to hazardous materials.
- Wear N95 masks and goggles during cleanup to protect against airborne particles. These will be available at traffic control points.
- When approaching a roadblock, residents must provide proof of residency. Acceptable forms of identification are a photo ID that displays the resident's name, photo, and physical address. Please have these documents ready to ensure a smooth verification process.

When at your site:

- Avoid activities that disturb ash, such as using leaf blowers.; instead, opt for gentle wet mopping or HEPA-filter vacuums.
- Be cautious of displaced utility lines and damaged infrastructure. Keep away if you encounter any downed powerline; call the Southern California Edison: 800-611-1911.
- Use bottled water in areas under a "Do Not Drink" advisory.
- Use this time to take video and photos of your property for any insurance claims.

Things to Consider

- **Infrastructure Impacts:**
 - Communities devastated by these fires may likely not have utilities available, even if your property is not damaged. Due to the widespread damage, it was imperative to deactivate electricity and gas services to avoid further damage.
 - Be prepared for extended and potentially intermittent outages throughout these extreme conditions.
- **Water System – Do Not Drink Notice**

- Los Angeles County Waterworks District 29 has issued a Do Not Drink Notice for the eastern portion of Malibu up to and including Carbon Canyon and the community of Saddle Peak in Topanga due to potential fire-related contaminants in the water system.
- **Bottled Water Distribution:**
 - 23533 West Civic Center Way, Malibu, CA 90265
 - Hours: 10:00 AM – 6:00 PM
 - Affected customers are urged to use bottled water for drinking and cooking until further notice.

Trash/Waste Information:

- Burned Debris Exclusion: Burn debris cannot be placed in any trash containers. Specialized procedures are required for its safe disposal to protect public health and the environment. LA County is working with the City on a debris removal plan. For questions, please contact the Debris Removal Hotline at (844) FIRE DEBRIS / (844) 347-3332, available Monday through Friday from 7 AM to 7 PM, Saturday from 8 AM to 6 PM, and closed on Sundays and holidays.
- Universal Waste Systems will provide daily trash collection services in all accessible areas within the Malibu Garbage Disposal District through Friday, January 24, 2025. Updates will be provided on next week's service plan after further coordination with UWS on Friday.
- All household trash and food waste can be placed in any available containers. UWS will sort the materials at their facility.
- Boxes and non-hazardous items left at the curb will also be collected. If it's at the curb, UWS will pick it up.
- Residents are asked to place their trash carts and green waste at the end of their driveways for collection.
- Green waste, such as vegetation and yard debris, can be placed at the end of the driveway for pickup.
- If additional carts are needed, contact UWS directly at 800-630-7016 for assistance.
